Club outing 24st August - Inverawe Gardens, Margate.

Our hosts, Bill & Margaret Chestnut will serve morning tea upon arrival at which time they will explain the layout of the gardens and what to expect as we go around. Bird enthusiasts will enjoy sighting the many species said to reside here. The gardens are extensive, running to 22 acres and as a result the Chestnuts have suggested that we are welcome to stay for the afternoon and enjoy a picnic lunch (self catered) in the grounds.

An attendees' list will be circulated at the August meeting (6 August). If you can't attend that let Peter know your interest via his mobile 0412 110 161.

(Big-Trip Away = 3-5th October)

PLANT of the Month – *Hellebores*

Please bring along some of your Hellebores and tell us what works and what doesn't

– give us your own Hints and Tips

The Club's Annual Midyear Luncheon – Tas Royal Botanical Gardens

- Good fun was had by all - followed by strolls in the garden.

.. and PLEASE remember to bring some produce and plants for the Trade Table.
