Kingborough Interim Planning Scheme 2015 Draft amendment PSA-2018-4

**Business Arising & General Business:**

1. Planning Scheme Amendment – Jill reported on the hearing and described the proposal: restrict the change of use (commercial development) to just 31 Nubeena Crescent (the old quarantine station) instead of the original plan which included the entire IMAS site of 3 titles, and to allow the pilot lobster hatchery. Discussions at the hearing suggested the framing would aim to limit the change of use to cover just this single proposal. Response due 7 days after the planning commission receives submission. At this time the submission has not been received/advertised.
2. Newsletter – delivery date for Spring issue is weekend of 12-13 October, which is the weekend before the Garage Sale Trail and TNG seedling sale on Saturday 19 October. So, printing on Monday 7 October, fold on Thursday 10 October.
3. Louise Hinsby Reserve – Jill will write about the community gathering at Louise Hinsby in the next newsletter, allowing interested community members to get involved in making some plans for the reserve. Fiona has worked up a draft grant proposal which could be used if the community wants.
4. AGM – Janette to circulate email to agree upon a date and venue ready to be advertised in the newsletter.
