

For March

*Next meeting : Wed 1st March 2017
7.30pm start*

*In the Club's hired room at
1 Taroon Cresc.(Uniting Church)*

Our **GUEST SPEAKER** for March will be Hobart City Alderman Bill Harvey.

His topic will be 'Sustainability'. Bill is the Chairman of the Council's Community, Culture and Events Committee. He is also on the City Infrastructure Committee, Parks and Recreation Committee and Heritage Account Special Committee.

The attached flower is **Prionotes**, (*Prionotes cerinthoides*) a genus of flowering plants native to Tasmania. It is commonly known as 'climbing heath' and is found in rainforests. This one is flowering on a eucalypt trunk underneath the Airwalk at Tahune on the Huon River.

We wish to thank Peter Barefoot for his 17 years of organising both Speakers and Sight-seeing trips. He is now taking a deserved back seat in the Club as a member. He will now have the time to concentrate on some of his other interests. Thank you indeed Peter for your hard work and Friendship.

April Trip – We will be joining the South Channel Garden Clubs ‘Channel Gardens’ Day Visits on 9th. The brochure for the event was distributed at the last meeting. We will be assisting in arranging some car pooling of our members on the day. The details can be found on their website:-

You will need to book your place on this trip as soon as possible.
The Executive Committee is currently planning this year’s activities.

Kindly assist by advising your own ideas of guest speakers or trip suggestions at this next meeting.
We need your input to make this year as interesting as possible.

FLOWER OF THE MONTH – Any Pink or Purple Flowers.

TRADE TABLE – This is an important fund raising event at each meeting, so we ask for your support. Please label and price your items.

This year we will also try a Gardening Bric-a-Brac section, where you can buy and sell any Gardening items. Photographs will be displayed if the item is too cumbersome to bring. 10% of the proceeds will be collected for the Club from the Seller.
