Constitution – as circulated, Anne and Jill described for the committee key aspects of the changes to the Model Rules. Objects and Purposes of the Association with reflection on same for South Hobart Assoc and TEN. *Jill* will share again in more detail.

There will be a Special General Meeting to vote on adopting the new constitution. 14 days' notice required. *Anne* will contact Liz to advertise in this newsletter. Meeting set for Wednesday 20th April, 7 pm

Change of Bank – next meeting

Visioning – a working group needs to be convened to reinvigorate this exercise and *Janette* to contact Oberon to ensure the committee has been handed all the relevant information and contacts. Jill pointed out there is not a planning sub-committee and *Jill* plans to attend the Special Area Planning (SAP) meeting in South Hobart on 12th April

Louisa Hinsby – project is in hand and being delivered

Grant – Queen's Jubilee Grant for tree planting in honour of Queen Elizabeth and to enhance and increase the tree canopy. TCA put in a submission (Fi, Janette, Anne) but timing did not allow the committee to consider together, a full discussion of committee members present resulted in a decision to rescind our grant application. Issues raised were scale and difficulty of the site with terrain meaning access is very difficult and therefore costly and high risk of erosion, limited funds for size of project, also not core business for TCA and better sitting with TEN
