Minutes: August and September Minutes accepted- Moved Anne, Seconded Jill with amendment proposed by Jill that "one of the many" replace "a central" in point 1 of Business Arising last line of August minutes.

Correspondence:

Email: Rod Finlayson contacted us regarding relocated flashing '40' sign which has been moved and is now difficult for motorist to see. Discussed the flashing sign briefly – it appears the matter is all in hand

Business Arising & General Business:

1. Planning Scheme Amendment – Jill has lodged another little representation because at the hearing they proposed an amendment to the amendment which was a compromise - just a pilot rock lobster hatchery but as Jill says this is still against the planning scheme.
2. Seaside Festival - Anne and Alison can be there and Liz a bit. Liz and Rob will ensure that the Chiton is there on display.
3. AGM Saturday Nov 2
4. Taroom High School - Not discussed - next meeting
5. Chiton – Chiton management while Damian is sick. We need a management subcommittee to do this - call a meeting in next newsletter and include all the people who were involved in building it in the first place. This of course needs to be run past Damian. *Jill will do this.*

Other Business: Transition streets Taroom - would be good to email Oberon and ask him to talk at one of our meetings to see how we can mutually support each other.

Financial report: On October 1st, 2019 the TCA had a balance of \$1730.32 Since my report of 1st September 2019, we have had \$0.64 interest and one membership. There is currently 1 financial member.
