OCTOBER 2017

Our next meeting is on Wednesday October 4th at 7.30 pm

Members' Night!

Members please bring something from the garden or the world of plants to share in a very short show and tell and discussion....

an unusual fungus, a diseased plant, a lovely flower, a weird insect, a newly appearing weed, a successfully grown vegetable (or a misshapen one), a colourful bud

Join in the discussion to 'mine' the collective knowledge, solve garden problems and share successes

Scamander Sojourn October 27, 28, 29

Our Annual weekend away will be to the North-east, staying in Scamander and visiting three gardens in Scamander and one at St Marys. Please contact Anne directly if you are going. Its not too late if you havent registered but would still like to go, but you need to let Anne know before 16 October.

Longford Blooms Saturday 18 November

We will be hiring a bus for a day trip to Longford for this garden spectacular. Register at the October meeting or by email to the club address soon.

Other events for garden lovers...

Crawleywood garden is open this weekend -30 Sept-1 Oct.

A delightful 2ha garden, rhododendrons, maple woodlands, Gondwanan rainforest species, rare and unusual plants. Wide variety of plants for sale. 51 Underwoods Rd Nicholls Rivulet. Entry \$7.00.

Ross Garden Day 25 November 10am-3.30pm.

Eight gardens for \$5. If you would like to carpool for travel to this event please indicate at October and November meetings.

Flowers of the Month: Azaleas, Rhododendrons, and spring bulbs

Trade Table

Dont forget the trade table. This pleasant 'shopping' activity adds greatly to club funds, helping to pay rent and also to subsidise some of our events. Think seedlings, posies, herb bunches, offshoots of interesting plants, jams and pickles, bulbs.....all are good items for our trade table.

Also, please bring some small change to purchase items.
