New Members wanted

To keep our club vibrant and growing we always welcome new members. Invite your friends along to a meeting, our club is not confined to Taroon residents or people who actively garden - we welcome anyone who is interested in gardens and plants.

Garden events coming up

**** Southlea garden sale:** Sunday 10th. December 2-5pm (Note event postponed a week from Sun. 3rd.) Southlea is a garden near the Lea Scout Camp just off the Southern Outlet. It has a convict built rockery. Directions for getting there are on the TGF webpage at <http://taroon.tas.au/gardening-forum/>. All are welcome.

****Claremont Lily and Summer Flower Show,** Saturday 13 and Sunday 14th January 2018
At the Claremont Memorial Hall. Entry is free.

Trade Table

Dont forget the trade table. Think seedlings, posies, herb bunches, offshoots of interesting plants, jams and pickles, bulbs.....all are good items for our trade table. Please bring some small change to purchase items. In the past months posies have been in great demand, so if you have some 'pickable' flowers and leaves, consider making up a posy and share the garden joy with others!
