

TNG Member News February 2020

Working Bee, Sunday 16th February 2-4pm

Our first for the year so there plenty of tasks

1. Compost mowing, turning and bay 3 is ready the go on the fallow bed
2. Weeding and turning the cabbage family bed ready for planting in March
3. Pruning spent cans in berry patch
4. Tidying herb verge

Bring and share afternoon tea at 4pm.

Meg Webb ML, who is one of our supporters is joining us for afternoon tea

Styling the new entrance gate-

We are inviting you to suggest creative ideas and designs to make it outstandingly distinctive.

Thank you to Phil and Lorne for all their work. and to Tina for preparing the new notice board and vegie shelf.

White weed (Hoary Cress)

This weed is gradually finding it's through the garden. It is mostly in the western end of the top perimeter.

Plots affected at the moment are mainly in the 2 rows of beds closest to the dog park.

The roots are deep so dig deeply to remove it.

Place in the designated bin in the greenhouse, please. Do not add to the compost heap

Eradication will require a persistent, combined effort. Check your own plot. We will also email you if it appears in your plot.

At first it looks quite insignificant and hard to recognise.

AGM - will be on Thursday, 26th March in the hall.

We are calling for nominations for president, vice president, secretary, and committee members.

All positions will be declared vacant.

Plot Fees 2020 Thank you folk who have paid. Fees are due now.

Account : Taroona Neighbourhood Garden

BSB: 633000

Acc no. 157051541

Sheep poo bags are available to members \$4 a bag

Please put your money in the donation box

Thank you members who have been watering the community plots and those who have kindly cared for plots while others have been away

Enjoy the bounty of your hard work
