

Tickets Now Open for the Inaugural Taroona Garden Trail

Taroona Neighbourhood Garden is delighted to announce the very first **Taroona Garden Trail**, happening on **Sunday 15 February from 10am–1pm** — and Early Bird Tickets are now available!

This brand-new community event invites you to explore up to **15 beautiful private and public gardens across Taroona**. Wander at your own pace, soak up inspiring ideas, and enjoy the incredible variety of gardens in our suburb — from coastal natives and rambling cottage beds to abundant veggie patches, edible food forests and creative backyard havens.

Whether you're an experienced gardener or simply curious to peek over a few fences, the trail offers something for everyone. Along the way, you'll have the chance to meet passionate garden hosts, swap tips, and discover just how diverse and vibrant Taroona's gardens really are.

After the trail, we'll gather back at the **Taroona Neighbourhood Garden** for a relaxed afternoon celebration and the chance to connect with fellow garden lovers.

The Taroona Garden Trail is also a **fundraiser for the Taroona Neighbourhood Garden**, with all proceeds supporting the upkeep of our shared space and helping us run workshops and community activities throughout the year.

We'd love to see you there — and encourage everyone to **book Early Bird tickets** while they're available.
